Note: There is also a paramilitary organization called Worker Militia Groups trained in guerrilla warfare and with very specific duties.

In peacetime, this Militia protects the industrial installations and factories from domestic and foreign enemies. The Militia is under the Communist Party and trained by officers of the National People's Army and by Political Commissars.

The Militia is organized into groups, battalions, and companies. Each group has four battalions; each battalion, 3-4 companies.

Total strength: 215,000.
